

Declaration of performance no 266/Load Eye/02-2022

1. Unique identifying code of the product:

PFEIFER Load Eye

2. Intended use:

Pre-installed lifting device for the attachment of loads during installation and maintenance work.

Product sizes: *20, 40*

Material properties and components: *ETA-21/0483, Annex A2*

Anchoring base: *Compacted, reinforced, cracked or uncracked normal weight concrete of strength class C25/30 to C50/60 without fibers according to EN 206:2013+A2:2021
Reinforcement according to ETA-21/0483, Annex B2*

Definition of loading: *Static and quasi-static loading*

3. Manufacturer:

*PFEIFER Seil- und Hebetechnik GmbH
Dr.-Karl-Lenz-Straße 66
D-87700 Memmingen, Germany*

4. Representative:

5. System of assessment and verification of constancy of performance:

System 2+

6. European Assessment Document:

EAD 330075-01-0601, Issued 10/2018

European Technical Assessment:

ETA-21/0483 of December 22nd, 2021

Technical Assessment Body:

Deutsches Institut für Bautechnik (DIBt), Berlin

Monitoring Body:

MPA Stuttgart

7. Performance:

Essential Characteristic

Characteristic resistances for static und quasi-static loads

Performance of product

ETA-21/0483

Annex C1, Table C1

8. General and/or specific technical documentation:

<https://www.pfeifer.info>

The performance of the product corresponds to the declared performance(s). The manufacturer exclusively is responsible for this declaration of performance in accordance with Regulation (EU) No 305/2011.

Signed for and in the name of the manufacturer:

Matthias Kintscher

Head of Division, Business Division Connecting and Lifting Systems

Memmingen, October 11st, 2022

Christoph Neef

Head of Engineering, Business Division Connecting and Lifting Systems
